Profile

My interest in finding solutions is driven by combining various scientific disciplines, with a strong focus on mechanics. My broad knowledge and high adaptability enable me to tackle complex problems, both individually and as part of a team.

Education

2025-Present	Master of Science in Complementary Studies in Business Economics	Ghent University
2025-Present	Preparatory Course Master of Science in Complementary Studies in Business Economics	Ghent University
2024-2025	Master of Science in Elektromechanical Engineering Technology Major: Mechanics	Ghent University
2020-2024	Bachelor of Science in Elektromechanical Engineering Technology	Ghent University

Experience

2022-Present	Catering assistance	Fixit
	Providing table service at weddings and various events.	
2019-Present	Beachhelp	Royal Belgium Sailing Club
	Helping with the upkeep of the beachclub by performing various tasks and ensuring the sailors safety.	
2015-Present	Sailing instructor	Royal Belgium Sailing Club
	Providing sailing camps for youth, aged 8 to 17 and offering private lessons to adults.	

Extra curricular activities

UGent Racing

My strong interest in mechanics and cars have let me to join the UGent Racing Team. Here, students from different fields of study and disciplines work together on an electric, autonomous race car. This all to compete in the yearly Formula Student Competition as well as to create more support for a sustainable future.

2024-Present	Mechanical Body Chassis	UGent Racing
	Team chassis and I are responsible for the design, optimization and TIG welding of the chassis for the 5th generation race-car of the UGent Racing.	

Scouts Knokke

Since childhood, I have been involved in the scouts and have progressed to a leadership role. Here, I have taken on several tasks and responsibilities.

2022-Present	Group leader	Scouts Knokke
	As group leader, I am the face of our scouts. With 25 leaders under my supervision, I must oversee the overall operation of the Scouts.	
2021-2024	Head of equipment management	Scouts Knokke
	I was in charge of maintaining all the large and small equipment and was responsible for all related purchases.	
2019-2024	Leader	Scouts Knokke
	Over the past 6 years, I have led almost every age group within the organization.
