

Curriculum Vitae

Tibo Janssens

Profile

I am an alert, inquisitive engineering student who enjoys being active in his spare time. Through university courses and projects, at home and abroad, I developed strong analytical skills, refined my problem-solving and communication skills working for UGent Racing, excel at teamwork, and am highly driven to achieve results.

Education

UGent, Master of Science in Electromechanical Engineering (Control Engineering and Automation)

Thesis about the co-design of articulated robots

Sep 2023 - Jun 2025  Ghent

Grenoble INP UGA - Ense³, Master of Science in Engineering (Automatic, Control and Intelligent Systems)

Jan 2024 - Jun 2024  Grenoble

UGent, Bachelor of Science in Engineering (Electromechanical)

Sep 2020 - Jun 2023  Ghent

Don Boscocollege Zwijnaarde, general secondary education

Sep 2014 - Jun 2020  Zwijnaarde

Experience

Mechatronics engineer at UGent Racing

Sep 2023 - Aug 2025  Ghent

Interests

Robotics, Automotive, Control, Automation, Design, Development, Production, Aerodynamics, Business, (Project) Management,...

Hobbies

Track and field athlete (mid-distance runner for KAAG), Cycling, Hiking, Trail Running, Surfing, Climbing, Swimming, Skiing, Snowboarding
